

# THE BRITISH SUB-AQUA CLUB

## 'TRY-DIVE'

### *Medical & Liability Disclaimer*

Sub-aqua diving is a sport that requires general physical fitness and good health. Anyone with a medical history of diabetes, blackouts (epilepsy, etc.), perforated eardrums, high blood pressure or heart disease, any lung or respiratory disorder (such as Asthma), or dependence on drugs, may not be able to dive safely and so **MUST** seek specialist advice before contemplating taking up this sport including a Try Dive.

Try-Dives are available on the understanding that the persons taking part:

- (a) Consider themselves medically fit and do not suffer from any of the disqualifying conditions mentioned above.
- (b) Will, in the interest of safety, comply with all instructions given to them by the Instructor.
- (c) Are able to swim and be confident in the water.

There is no lower age limit for participation in a Try-Dive, but organisers are at liberty to impose a limit of minimum age or stature, as they consider appropriate.

Every precaution will be taken for the safety of visitors and the Branch or school organising it reserves the right to terminate the session should there be reason to doubt fitness, ability or suitability to dive.
